

FOREST HILL JR AND
SR PS

DATA + ART

CHOOSING A TOPIC

- ▶ Brainstorm about ideas that the class would like to explore
- ▶ Example ideas: eating habits, hobbies
- ▶ Discuss what type of questions we have about this topic
- ▶ Select a topic as a class

HOW CAN WE
GATHER
INFORMATION ON
THIS TOPIC?

SURVEY DETAILS

- ▶ Survey Audience
- ▶ Methods for gathering
- ▶ How to be an unbiased survey facilitator

SURVEY QUESTIONS

- ▶ Information about person being surveyed (age, gender etc)
- ▶ Feelings on the topic (like, dislike, agree, disagree)
- ▶ Numerical questions
- ▶ Categorical questions
- ▶ Open text questions

DATA COLLECTION GOALS

- ▶ How many surveys do we want total?
- ▶ Based on our collection methods:
 - ▶ How many does each student need to perform individually?
 - ▶ How many will we surveys will be gathered without students facilitating?

NEXT MEETINGS

- ▶ Meeting 2: Review survey and data collection plans
- ▶ Meeting 3: Review data set and discuss student work
- ▶ Meeting 4: Data analysis demo
- ▶ Meeting 5: Optional mentor meeting
- ▶ Meeting 6: Final class review
